

MUJAHID
GROUP OF INDUSTRIES

BUSINESS PROFILE

Introduction

History

Founded in 1978 with a meager \$20, Mujahid Group, led by Sheikh Muhammad Ikram, started as a small-scale soap production unit. The group swiftly evolved, establishing Mujahid Soap and Chemical Industry in 1984. Transitioning into the Edible Oil Industry in 1991, Mujahid Group, under the leadership of Mr. Atif Ikram, achieved remarkable success, expanding operations nationally and internationally. With ventures in steel, oil, and gas, Mujahid Group, guided by Mr. Atif Ikram's visionary leadership, has become a multifaceted conglomerate. The real estate arm, Mujahid Building and Properties, has contributed to the urban landscape with the development of multiple skyscrapers, symbolizing the group's journey from humble beginnings to diverse industrial excellence.

Objective

Our objective is to consistently deliver high-quality products and services, foster meaningful partnerships, and contribute to the betterment of communities. With a commitment to excellence, we strive to be a driving force in shaping a progressive and impactful future
